*I am the resurrection and the life;
whoever believes in me,
even though he dies, will come to life
and everyone who lives and believes in me
will never, never die.*

~John 11: 24-26

*The Moore Family would like to extend
sincere thanks to each of you
for the love and support you have shown
throughout this very difficult time.*

In Loving Memory

*Dr. David D. Moore Sr.
March 31, 1935 ~ January 12, 2024*

In the early morning of January 12, 2024, David D. Moore passed into eternity. He was the son of Dwight Moore (decd) and Mahree Moore (decd).

David was born in 1935 and was raised in Whittier, CA. He grew up in a rural community and like most boys in the area loved to fish, trap and hunt. After high school, he moved to Northern California in 1955 and attended Stanford University, where he majored in Biology with a minor in Engineering and played on the water polo team. After attending Stanford, he was accepted into the College of Physicians and Surgeons in San Francisco, CA, later known as the Arthur A. Dugoni School of Dentistry at University of the Pacific.

Following two years of active Naval duty, he opened a dental practice in San Mateo CA in 1962. He practiced in the city of San Mateo for 54 years while also serving as the President of San Mateo Dental Society and serving on its Board of Directors for many years. He also was a former President of the Northern California Association of Endodontists and served as a Trustee of the California Dental Association.

Dr. Moore married his wife, Yvonne (née Walsh) in 1958. Their happy 65-year marriage produced 3 children that he adored: Victoria Moore DDS (Ronald Wu), Elizabeth Monroe MBA, CFA (Stephen) and David D. Moore Jr. DDS (Jessica). He is also survived by his brother Richard L. Moore (Patricia).

Dr. Moore loved his family, his profession, his colleagues in the San Mateo County Dental Society, motorcycle trips to Baja CA and anything with a motor (except a lawn mower).

He was known as a mentor, teacher and the consummate Mr. Fix-It. Dr. Moore was quite mechanically inclined and intellectually curious, having built the family's lake house, a dune buggy, a Model A Ford and countless motorcycles. He loved to free dive and scuba dive, with his passion for the latter leading him to build his own scuba regulator using instructions from a Popular Mechanics magazine. As a teenager he and his brother spent a month on Catalina Island earning money by free diving to recover coins thrown by tourists from a glass bottom tour boat. He is also known as Jimmy Buffet's ultimate fan. He was a true parrot head and took in over 15 concerts, many in full parrot head regalia!

Dr. Moore is survived by 6 beloved grandchildren: Jordan & Cameron Wu, Griffin & Spencer Monroe and Wyatt & Sawyer Moore. He also leaves his much-loved in-laws, Joelle and James Conn, nephews James Jr. (Amy) & Michael J. Conn (Michelle), Richard J. D. Moore and niece Elizabeth Hammack, grand-nephews Michael F. Conn, James & William Hammack and grandnieces Matty Conn, Emma & Kate Hammack.

The family is most grateful to the extended Ramirez and Renderos families for the loving care they provided to Dr. Moore in the final months.

If you wish to remember him with a donation, please consider the Arthur A. Dugoni School of Dentistry of University of Pacific, The St. Vincent de Paul Society of San Mateo County, or a Spiritual bouquet.

Changes in latitude, changes in attitude: J. Buffet
