*Cody John Crosby
December 14, 1982 ~ June 8, 2024*

Cody Crosby passed away way too early in life on June 8th, 2024. He left behind his collection of Jordans, rap records, his beloved pets and many people who loved him.

Cody is survived by his partner and love of his life, Natalya Pikna (aka Natty) and their pets Mr. Furbly, Fonzy and Franky. He is also survived by his mother Roxanne Murray (aka Foxy Roxy), father John Crosby (aka Wein), step-dad Seamus Murray (Pops), step-mom Yoli Crosby (Yols). His sister Jamie Domenici (aka Jaime Escalante), Robert Domenici (Rob-o), nieces Adeline Domenici (Schmaddy) and Georgia Domenici (Weezus) whom he taught lots of colorful language and lyrics. His aunt, Ann Marie Holmes. His step-brother Anthony Arrechea (Arch) and step-sister Erica Arrechea (Eballs) and families. Also, his brothers Charlie and Clyde (his mom insists on calling her dogs his brothers). Cody will also be missed by many extended family members and lifelong friends.

Cody graduated from Burlingame High School where he was known for his larger than life personality and one of a kind three point shot. He spent 20+ years as a funeral director where he dedicated his life to helping people in their saddest hour. His heart was big and his soul was kind which made him the person who you wanted by your side in these hard times.

He was a diehard Warriors and 49ers fan and never missed a game. You could often find him at the Bull with his Dad on Sundays. He was the king of pranks and known for his one-liners. He loved all animals and they loved him. He loved Tahoe especially Sleepy Pines and playing a game of shuffleboard at the Village Pub. He loved his local restaurants (thank you Celia's and Village Host). He was a dedicated sandwich maker and made what he told his mom was "the perfect sandwich" the day before he passed. He loved music and it was a blessing that he saw the WuTangClan at the Giants game the week before he passed.

Codiva, C-murder, Big Cheese, Coco, Unc, Precious, you will be forever in our hearts.
